Sentences

He ate hot chips when he got home.
The homework gave him a headache.
A slice of ham fell behind the hob.
The honey bees made their home in the hive.
The playhouse was the best place to hide.

Story

There must have been a hundred horses, each one with a man in a heavy helmet holding a sword. The horses ran behind the hill and when they came out the men were holding their swords high in the air. They hollered, "Charge!", as the headed downhill towards us.
