## Sentences

The England fans were singing.  
 My youngest sister got a new ring.  
 The boy loved to go on the swing.  
 My finger is hurting.  
 The boy was banging the drum.

## Story

The drums were banging so loudly that my ears were hurting a bit, but the singer made the song sound beautiful. She wore spring flowers in her hair and a ring on every finger. I hoped she would sing on for a long time.
