Sentences

We laughed at the funny clown.
The moon shone down on the land.
It was so rainy that he might just need his canoe.
The bunny twitched its nose in the corner.
Granny knitted a pair of mittens.

Story

In the night, the moon comes out. Lots of animals like to hunt at night under the light of the moon. At dawn, it begins to get lighter. When the sun comes up in the morning, the nocturnal animals go and hide in their dens and sleep until sundown.
