Sentences

The lawn was mainly clover.
The video showed bees in a hive.
The river ran into a dark cave.
It was a lovely village to visit.
The view down the valley was heavenly.

Story

The family moved to a new village close to a river. The views were well above average. Their friends would have to travel a long way to visit them, but it was worth it, even though the move had been very expensive. They unloaded the van and headed up the driveway to their new home.
